i. *Applicants may attach additional sheets if the number of eligible publications exceeds the space provided in this table.*
ii. *Self-citations of the applicant, including self-citations in all co-authored publications, must be excluded.*
iii. *Citations received from fake or predatory publications must not be included.*
iv. *Applicants must ensure that their Google Scholar profiles do not contain publications belonging to other authors with similar names.*
v. *The Google Scholar profile must be public and must display the University of Ruhuna as an institutional affiliation.*
vi. *Only publications contributing to the applicant's h-index should be included in the citation table.*
vii. *Provide the full reference (Harvard Style) highlighting your name irrespective of the number of authors*
